WELCOME TO 'LOVE YOUR CLOTHES' FEBRUARY!

Recycle 4 School's 'Love Your Clothes' Campaign runs throughout February.

This campaign encourages pupils to value the clothes they already have and to think carefully about the best way to recycle them when they are no longer needed. By loving our clothes, wearing them, and enjoying them for as long as possible, we can then make responsible choices and recycle the clothes ethically.

This month, we're challenging your school and students to:

- Plan and promote your next clothing collection drive!
- Participate in the classroom activities:
 - **Activity 1 = Design a 'Love the Earth' T Shirt**
 - **Activity 2 = International Girls In Science Day (11th Feb)**
 - **Activity 3 = Random Act of Kindness Day (17th Feb)**
- Send photos / videos of your school getting involved in the class activities or the clothing collection drive!
 - (Please confirm media consent prior to sending).

REWARDS: DIGITAL CERTIFICATE

All schools completing a collection drive this February will receive a digital certificate to display on social media or print out to frame. Please contact us to request your certificate!

CLOTHING COLLECTION DRIVE CHECKLIST!

ALL YOU NEED TO MAKE IT THE BEST COLLECTION DAY YET!

Before the Collection

Choose a date in February

Select a suitable day for pupils, parents and guardians to bring in their clean, bagged clothing donations.

Confirm your collection

Book your collection with the Roberts Recycling team for the same day, or shortly after your chosen date, to avoid bags taking up space on site.

Promote your clothing collection drive

Use the templates included in this pack to spread the word. Print posters and display them in Reception or around the school.

Share the digital versions via newsletters, parent communications such as classdojo, community groups or your school / PTA social media page.

In the Classroom

Plan your lesson

Schedule time with your students to complete the classroom activities. Engage students to see how they can get involved. You may want to run through it with your eco club or school council.

Capture the moment

Capture photos of your groups getting involved in the activities or collection day (in line with your school's media consent permissions).

On Collection Day

Receive donations

Ask pupils to bring in clean, bagged clothing and store it safely in your agreed area.

Prepare for collection

Contact the Roberts Recycling team to confirm you are ready for collection.

After the Collection

Share your success

Send your photos from the collection day to Roberts Recycling. We love seeing schools in action and celebrating the impact you're making. Start planning ahead for your next collection drive!
